

Seasonally Adjustable Ground Mount 20 Year Limited Warranty

Kinetic Solar warrants to the original purchaser of our steel product(s) that the product shall be free from defects in material and workmanship and remain functional for a period of:

- 1) Twenty (20) years if not installed in temperate marine or suburban climates
- 2) Eighteen (18) years for temperate marine climates (within 150 km from any coastline) if not installed in a suburban climate
- 3) Fifteen (15) years for suburban climates (within 100 km of any industrial area)

from the earlier of:

- A) the date the installation of the Product is completed or
- B) 180 days after the purchase of the Product by the original distributor.

The cost of the removal and re-installation is included for a period of the first two (2) years.

All installations in corrosive atmospheric conditions are excluded. This Warranty does not cover damage to the product that occurs during its shipment, storage, or installation.

This Warranty shall be VOID if installation of the Product is not performed in accordance with Kinetic Solar's written installation instructions and engineering design specifications, or if the Product has been modified, repaired, or reworked in a manner not previously authorized by Kinetic Solar IN WRITING, or if the Product is installed in an environment for which it was not designed.

Kinetic Solar shall not be liable for consequential, contingent or incidental damages arising out of the use of the product by the purchaser under any circumstances.

If within the specified warranty period the product shall be reasonably proven to be defective, then Kinetic Solar shall repair or replace the defective product, or any part thereof, in Kinetic Solar's sole discretion. Such repair or replacement shall completely satisfy and discharge all of Kinetic Solar's liability with respect to this limited Warranty.

Under no circumstances shall Kinetic Solar be liable for special, indirect or consequential damages arising out of or related to use by the purchaser of the product. Manufacturers of related items, such as ballast blocks, screw piles, ground screws, concrete, PV modules, cables, inverters and disconnects may provide written warranties of their own. Kinetic Solar's limited Warranty covers its Product only, and not any related items.

Kinetic Solar Vice President,

Joachim Haslauer
